Article I. Purpose and Duration

Section I. Purpose

The purpose of the Raleigh/Wake CoC is to create a collaborative, inclusive, community-based process and approach to plan for and manage homeless assistance resources and programs effectively and efficiently to end homelessness in the jurisdiction as specified in the US Department of Housing and Urban Development (HUD), 24 CFR Part 578, Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act: Continuum of Care Program. The Governance Charter identifies the composition, roles, responsibilities, committees, and processes involved in the planning and programming of the Raleigh/Wake CoC. Additionally, the Raleigh/Wake CoC serves as the U.S. Department of Housing and Urban Development (HUD) recognized decision making body for the Continuum of Care Rule 24 CFR 578, Subpart B, entitled “Establishing and Operating a Continuum of Care.”

Section II. Duration

HUD regulations (24 CFR part 578.7(5)) require CoCs to review and update their governance charters annually. The Raleigh/Wake CoC will review, update, and approve this governance charter at least annually. Amendment of the charter requires a vote of the Raleigh/Wake CoC membership at a regularly scheduled membership meeting.

Article II. Mission, Vision, and Values

Section I: Mission

The Raleigh/Wake CoC plans, develops, and implements comprehensive and coordinated strategies across funding sources and systems to address homelessness in Raleigh/Wake County.

Section II: Vision

The vision of the Raleigh/Wake CoC is to ensure that homelessness is rare, brief, and non-recurring. We will achieve this vision through our shared values and actions.

Section III: Values

Housing First: We recognize that housing is a human right and will not require pre-conditions for access to housing.

Trauma-Informed: We will use trauma-informed practices in how we work together and serve people experiencing homelessness.

Equity and Justice: We work to eliminate discrimination so that race, ethnicity, gender identity, or sexual orientation are not predictors of who becomes homeless or predictors of outcomes within the homeless system. We are committed to re-envisioning just systems to prevent and end homelessness.

Leadership by People with Lived Experience: We will be accountable to people experiencing homelessness and ensure there are meaningful and accessible ways to participate in shaping decisions.

Transparency: We believe in being transparent with people experiencing homelessness and our community.

Efficiency: We implement efficient systems that help people experiencing homelessness get housing as quickly as possible because every day a person spends unhoused is a day too many.

Collaboration: We know working together is better than working alone.

Client-Driven: We believe that people experiencing homelessness are experts in their own lives and that service providers' role is to support strengths and overcome barriers.

Article III: CoC Membership

Section I: Definition

Organizations and unaffiliated individuals residing or working within Wake County may be members of the CoC. The Raleigh/Wake CoC will actively recruit for a broad and inclusive membership including, but not limited to persons with lived experience of homelessness, nonprofit homeless assistance providers, victim service providers, faith-based organizations working to reduce homelessness, local governments, businesses, funders, advocates, public housing agencies, school districts, social service providers, mental health and substance use agencies, healthcare providers, universities, affordable housing developers, landlords, and criminal justice providers.

Section II: Voting

The following levels of membership exist:

- Non-Voting Members
- Voting Members

Non-Voting Members

Any person or organization who attends at least one meeting per calendar year is considered a Non-Voting Member in good standing of the Raleigh/Wake Continuum of Care. Non-Voting Members may choose to receive information from the Raleigh/Wake Continuum of Care including, but not limited to, meeting notices, Continuum of Care meeting minutes, and Continuum of Care reports. To remain in good standing, Non-Voting Members must attend at least one meeting per calendar year to maintain their membership.

Voting Members

In order to become a voting member of the Raleigh/Wake Continuum of Care, an individual or representative of an agency must be a member of the Raleigh/Wake Continuum of Care in good standing, be located or provide services in the CoC's geographic area, and complete a Raleigh/Wake Continuum of Care Voting Member Application Form. Each application will be reviewed and approved by the Continuum of Care Membership Committee following CoC-approved application standards. Once the application form has been approved and the attendance requirements met, the Collaborative Applicant will notify the person/agency of their voting status. There is no minimum or maximum number of voting members on the Raleigh/Wake Continuum of Care.

Organization Voting Members

An agency/organization may apply to receive voting status after attendance at one Continuum of Care meeting. An agency/organization may identify two (2) persons who may vote on behalf of the agency/organization. Only one (1) representative of an agency/organization may cast a vote on each action. If neither representative can attend a duly called meeting, the organization may, with prior notice

to the Collaborative Applicant, designate a proxy. Designations of proxies to conduct business should be rare. If a Continuum of Care voting member is unable to routinely conduct business, the agency/organization should seek to assign representation to another individual.

Voting members must attend at least 75% of CoC meetings in a calendar year to remain active as voting members.

Individual Voting Members

An individual who does not work for or represent an agency/organization may be an individual member. An individual may apply to become a voting member after attendance at one Continuum of Care meeting.

In the case that individual members make up more than 40% of the total CoC membership of both organization and individual voting members present for a vote, the total votes of the individual members will be proportionally weighted so that they do not count for more than 40% of the total CoC membership's vote on any proposed action.

one Board member should be part of every committee. Committees will be open to persons (CoC members, Collaborative Applicant staff, and others) who have expertise and interest in the subject matter of the committee, as well as persons with lived experiences.
