ServicePoint Updates

ServicePoint Updates

5.14.0 will be available as a major on September 30th, 2021 (actual update on 10/2/21) and will contain the following items:

- FY2022 Data Element updates
- FY2022 Coordinated Entry APR

5.14.1 will release as a minor during the week of October 11th and will contain the following items related to FY2022 Data Dictionary (other items to be announced closer to release date):

- V3 SSVF Financial Assistance updates
- V7 SSVF HP Targeting Criteria updates
- SSVF 2021 Assessments
- FY2022 ESG CAPER/CoC APR updates
- FY2022 PATH updates

5.14.2 will release as a minor and will include updates for several current data elements to improve data quality for data collection and reporting:

- Housing Move In Date (HMID) – addition of date validations to prevent dates outside of the Entry/Exit time frame
- Relationship to Head of Household – Setting the field to required
- Date of Birth Data Quality – addition of a check comparing Date of Birth field to Date of Birth Data Quality field to flag inconsistencies in data entry

ART Reports- RAW Client Data Exports

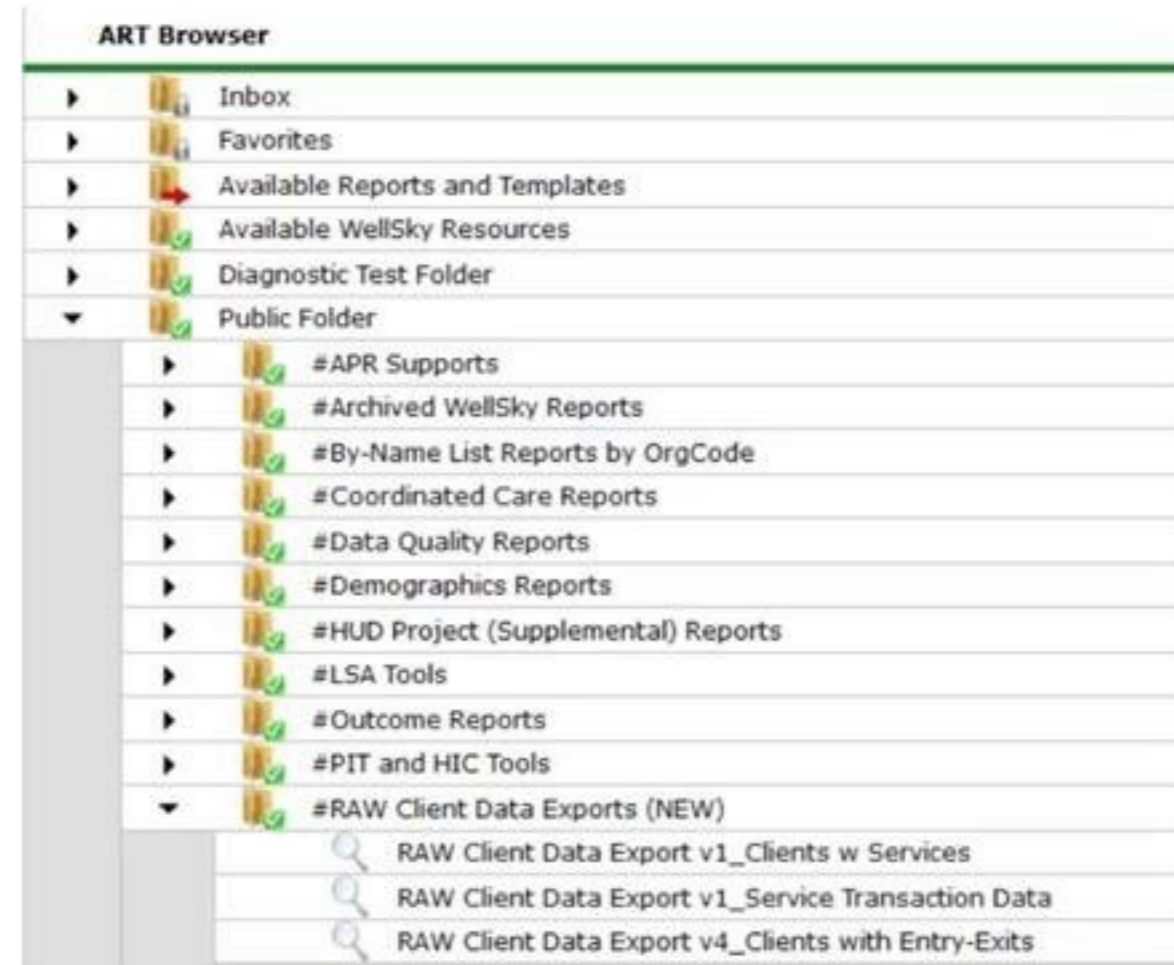

RAW Client Data Export

▶ RAW Client Data Export- Entry-Exits: this report will provide project entry, exits, and interim review answers from all clients in the provided date range.

▶ This report is in ART under “Public Folder” then “#RAW Client Data Exports”

▶ RAW Client Data Export-Service Transaction: this report will provide the service transaction history for all clients in the project in the provided date range. This report is also in ART under “Public Folder” then “#RAW Client Data Exports”

Project Entry

Project Entry Reminder

ROI must come first, please complete either a 30 day verbal ROI or signed ROI. Failure to complete the ROI prior to project entry could result in data visibility issues

First

Client - (4) Solo, Han

(4) Solo, Han
Release of Information: Ends 10/30/2021

Client Information | Service Transactions

Summary | Client Profile | Households | **ROI** | Entry / Exit | Case Managers | Case Plans | Measurements | Activities | Assessment

Once the ROI is completed, then the client can enter the project with the SAME start date as listed on ROI. Differences in ROI start date and Entry start date has caused visibility issues

Second

Client - (4) Solo, Han

(4) Solo, Han
Release of Information: Ends 10/30/2021

Client Information | Service Transactions

Summary | Client Profile | Households | ROI | **Entry / Exit** | Case Managers | Case Plans | Measurements | Activities | Assessment

Sharing Agreements

Sharing Agreements

2 sharing agreements were sent out to agencies the week of September 27th.

- 1 Way Sharing QSOBAA: 1 way sharing from Emergency Shelters, Street Outreach, and Access Sites to Prevention, Transitional Housing, Rapid Rehousing, and Permanent Supportive Housing programs
- 2 way sharing QSOBAA: 2 way sharing for the sole purpose of coordinating care and sharing information prior to housing placement. Included in this 2 way agreement are most Emergency Shelter and Street Outreach projects.

Each time a new agency is added to the HMIS system, a new sharing agreement will go out to all CoC-HMIS participating agencies to sign/update.
