

**NC 507 Position Statement Regarding the Current Relationship**  
**with our Collaborative Applicant / HMIS Lead**  
**December 19, 2022**

The NC 507 Governance Board has a current, signed Memorandum of Understanding (MOU) with the Raleigh/Wake Partnership to End and Prevent Homelessness (PARTNERSHIP), to serve in the roles of Collaborative Applicant / HMIS Lead. This MOU expires April 22, 2026. The Governance Board recognizes the key roles that the PARTNERSHIP plays in supporting the Wake County/NC 507 Continuum of Care (CoC) and remains committed to working with the Partnership in this role. The Governance Board does not have any immediate plans to terminate this agreement or relationship.

The Governing Board is currently working to codify its annual review process. While the board is continually assessing performance and will be in regular communication with the PARTNERSHIP about areas that are working well and areas for improvement, the officially required review of the fulfillment of the Collaborative Applicant/ HMIS Lead roles is conducted annually.

The Governance Board has a target date of March 1, 2023, to finalize its review and identify any areas of improvement. As required by the MOU, the Governance Board will work with the PARTNERSHIP to develop a written corrective action plan with timelines established for any required changes or improvements to be made. Should any identified requirements/ changes not be met, the Governance Board can call for a vote of the full CoC Membership to remove the PARTNERSHIP from any or all of the roles of Collaborative Applicant/ HMIS Lead. If the full CoC membership votes to remove the PARTNERSHIP from any or all of their roles, the Governance Board would be required to secure HUD TA and to provide an official one-year notice to the PARTNERSHIP of the NC 507 intent to remove them as its Collaborative Applicant/ HMIS Lead, after which time the required HUD process to select a new Collaborative Applicant/ HMIS Lead would begin.

Any questions related to this statement can be emailed to: [CoCgovernance@partnershipwake.org](mailto:CoCgovernance@partnershipwake.org) for a response from the Governance Board. If you would like more information about the current NC 507 Memorandum of Understanding for the roles of Collaborative Applicant / CoC Lead / HMIS Lead, it is available on the NC- 507 website: <https://wakecoc.org/> More information about the current NC 507 Governance Charter can be found here: <https://wakecoc.org/>
